Gecko: Dots Together

A picture guide to play together

Look. Slide. Check.

Tap Play

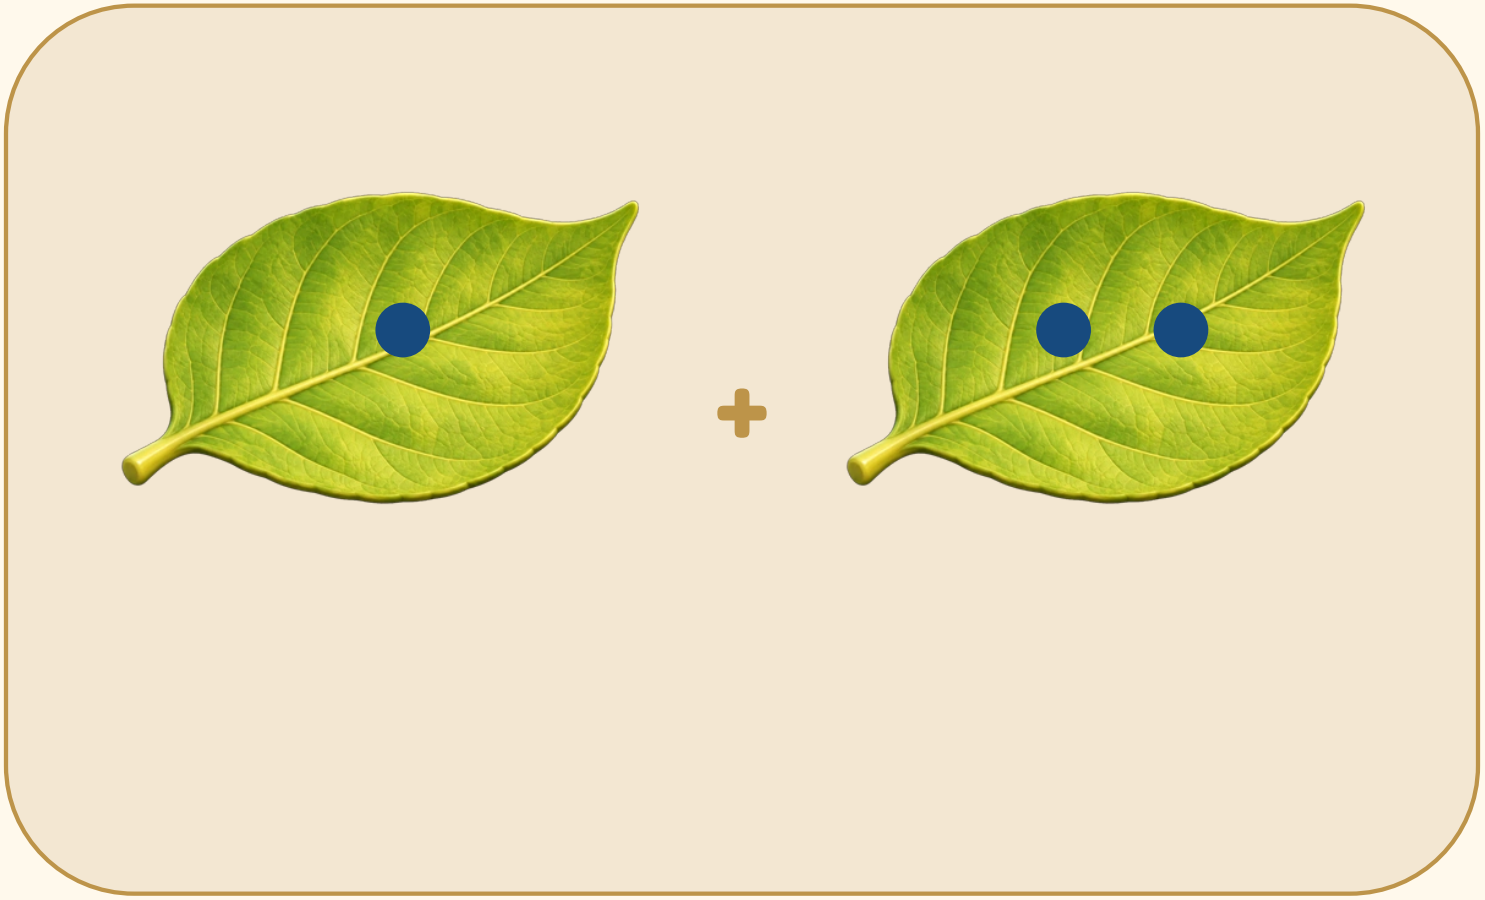
Gecko and Aro are waiting by the river. Tap Play to begin.

Watch the hand

Watch a leaf move to the empty leaf. Then watch the green check. Practice turns do not earn stars.

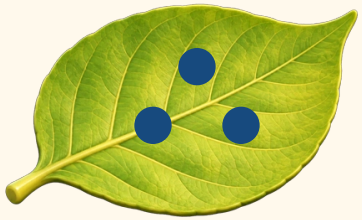
Look at both groups

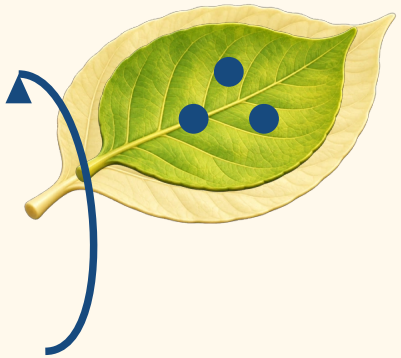
How many dots do the two small groups make together? You can take your time.



Slide the matching leaf

Choose the leaf that shows both groups together. Slide it onto the big empty leaf. A tap works too.





Tap the green check

Is your leaf ready? Tap the green check to see if it matches.

Green check

You can try again

Not a match? Look at the row of dots. Try another leaf, then tap the green check. You can take your time.

the row of dots

Follow the leaves

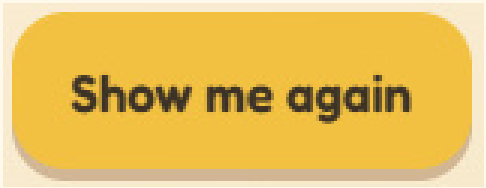
A correct check earns a star. Four stars finish a level. Follow all five leaves.

One matched answer

A new level

Help is here

Tap ? for help. Choose Show me again to watch the hand. Tap pause when you need a break.



Show me again

Keep playing

Ready for your next leaf?

Look at both groups. Slide your leaf. Tap the green check.
