Capybara: Two Windows

Ages 3–5

A picture guide. Tap Play, then watch the hand.

Help Capybara find a match.

First, watch the hand. It shows you what to do.

Look at this window.

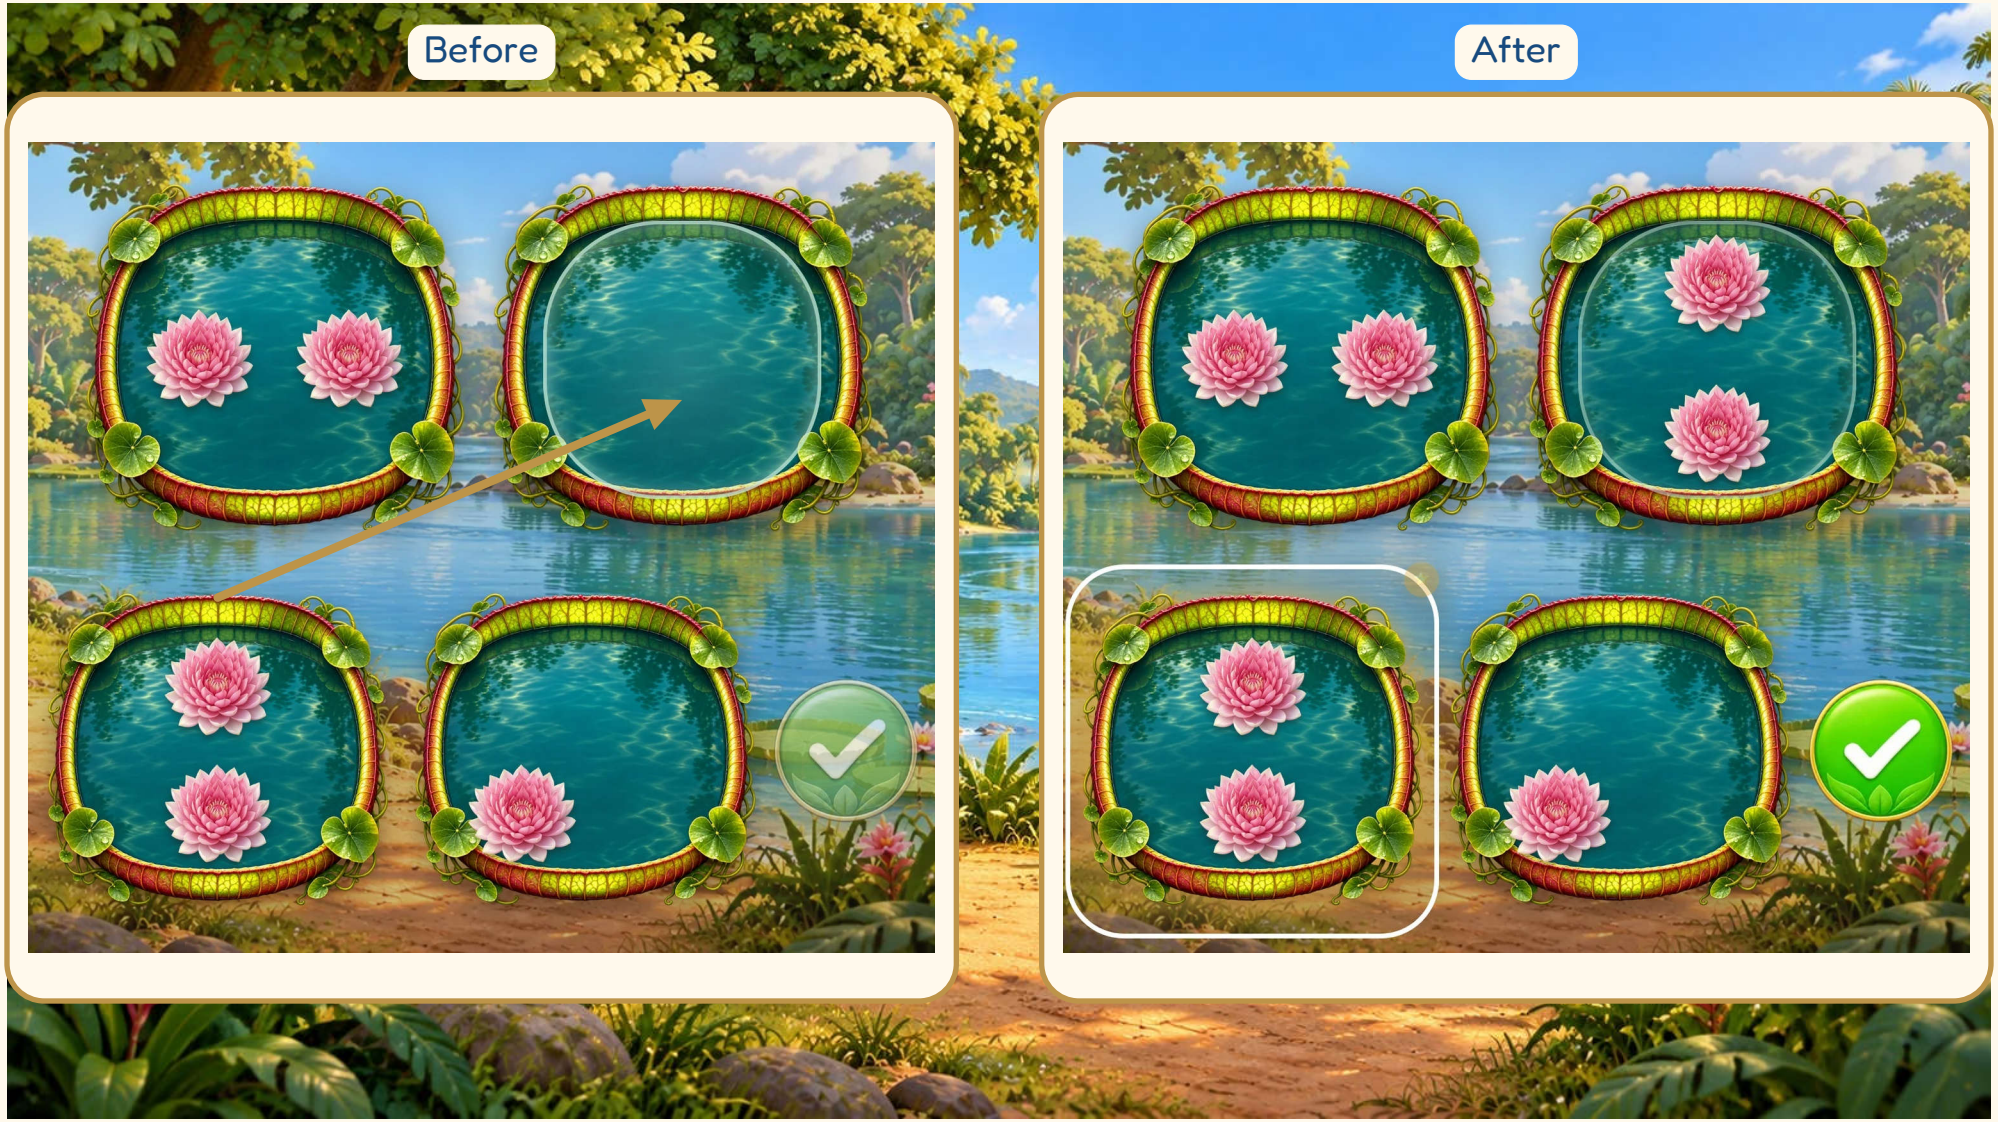
Find a picture with the same number of flowers.

Same number. New places.

Flowers can move apart and still make the same group.

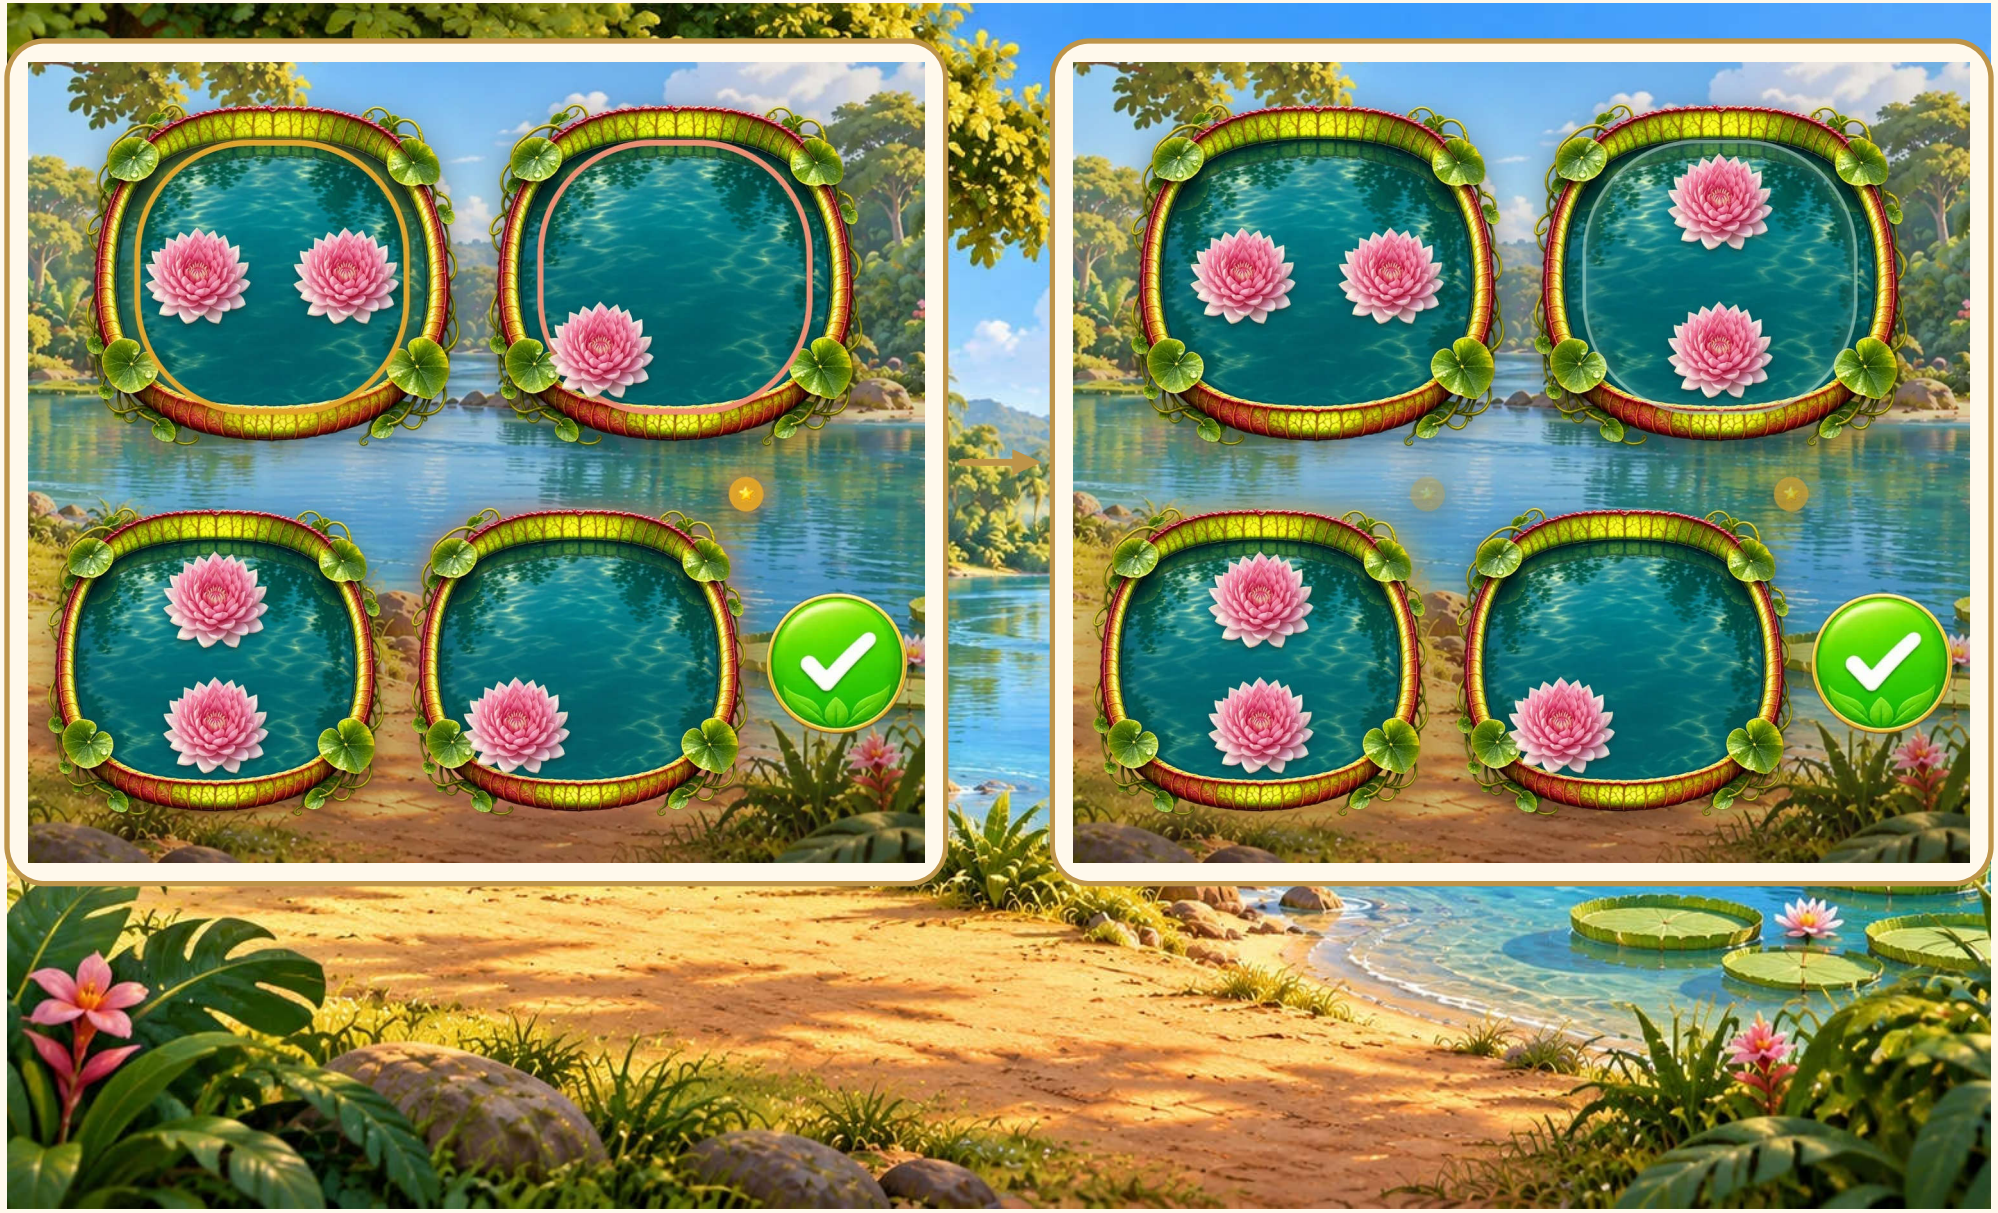
Move a picture.

Drag it into the empty window. You can tap a picture instead.



Tap the green check.

Check when you are ready. You can change your picture first.

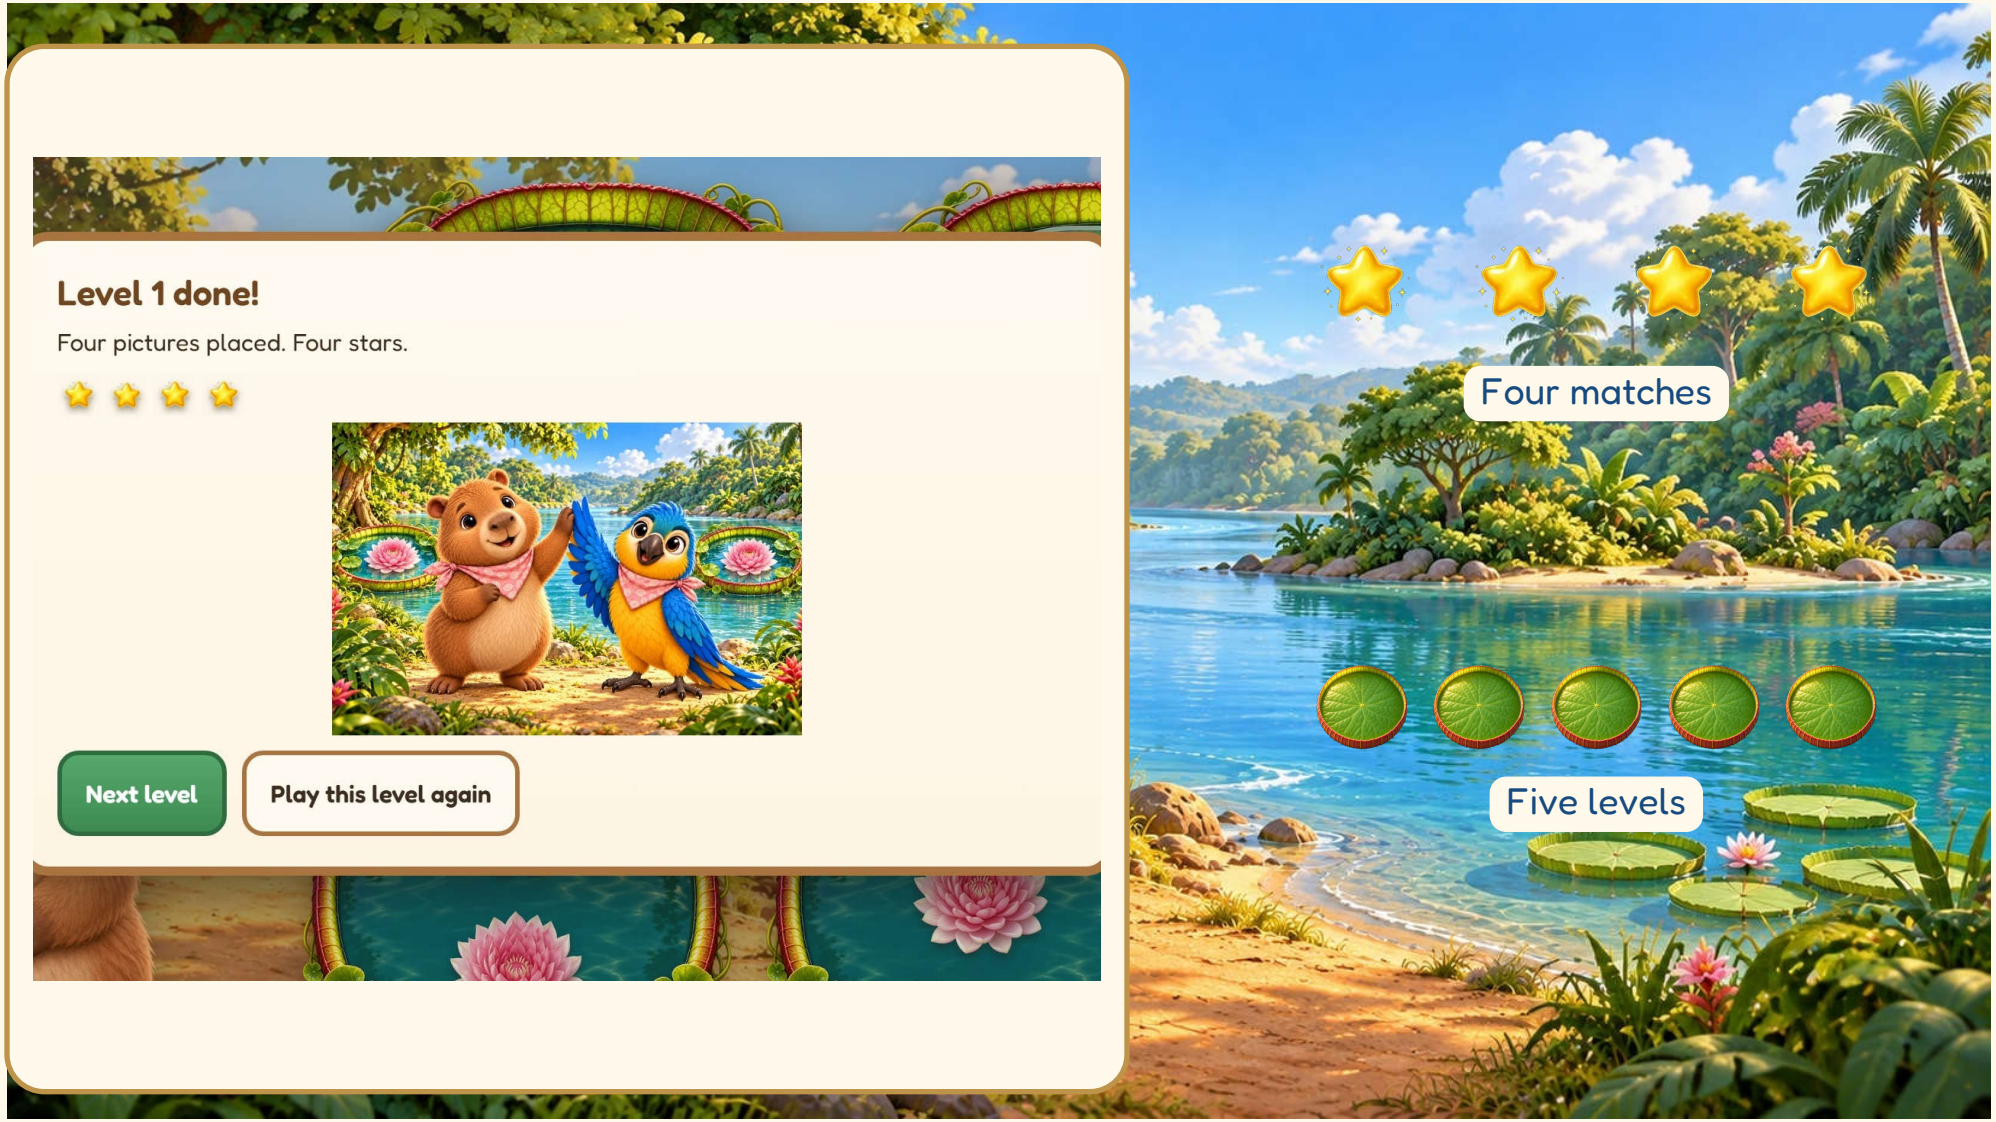


Try another picture.

A mismatch is okay. Look again, change your choice, and check.

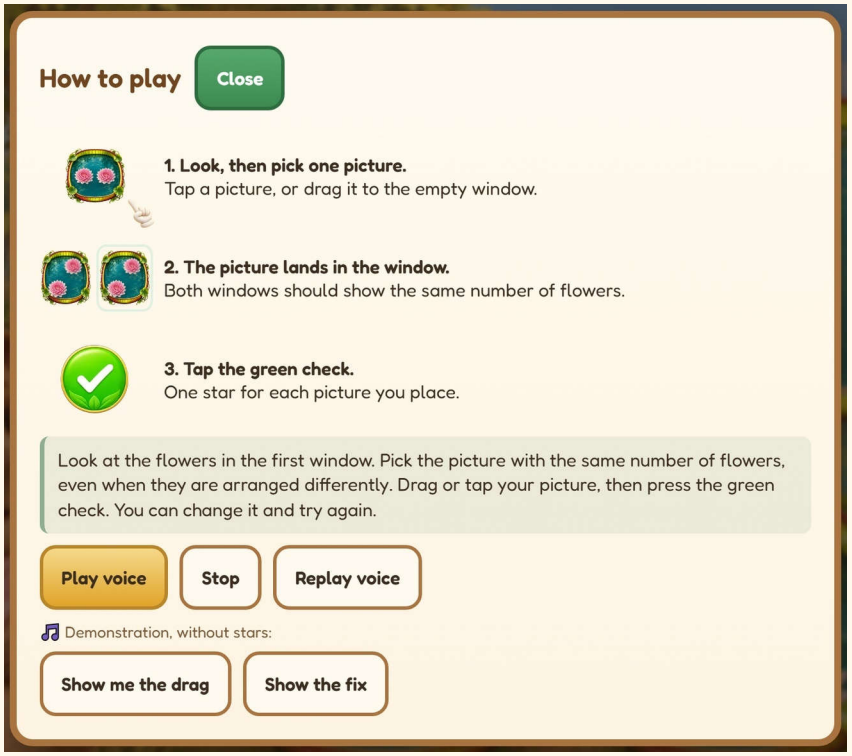
Each match earns a star.

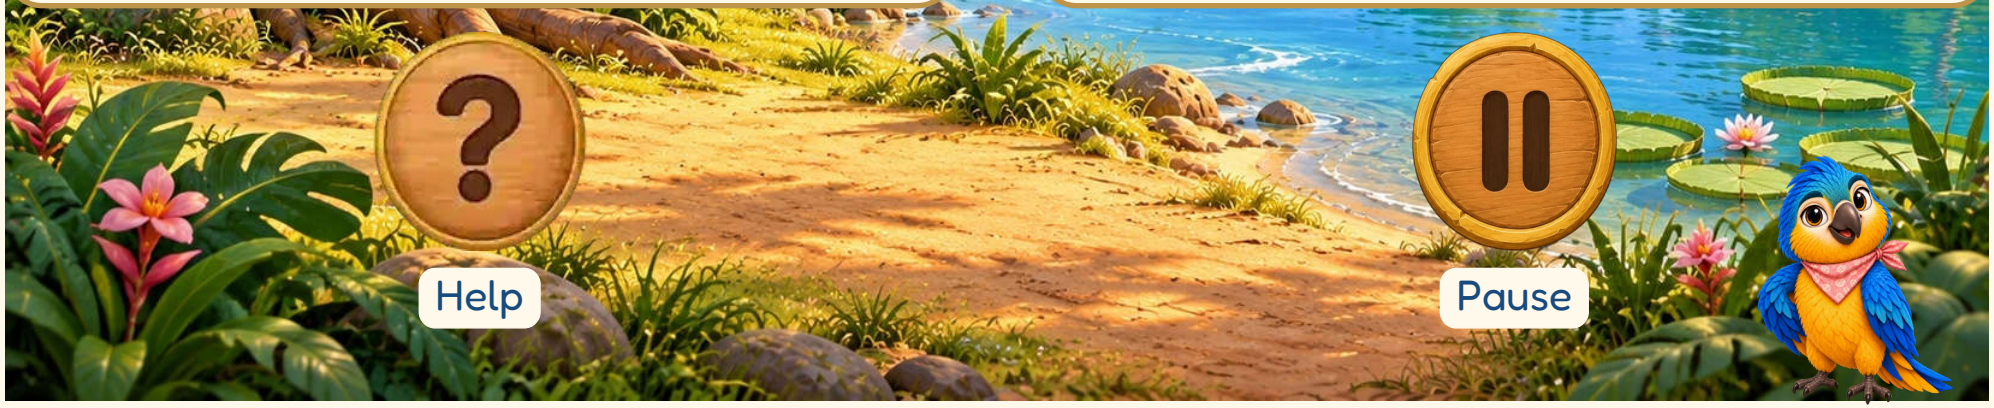
Four stars finish a level. There are five levels.



Need a hand?

Tap ? for help. Tap pause whenever you want a break.





Your turn!

Look. Move. Check. Take your time.

Look. Move. Check.
