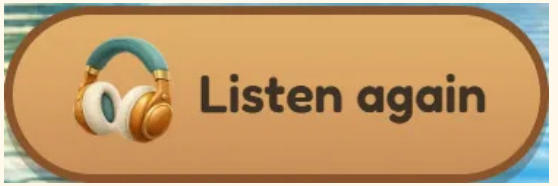
Two examples show you what to do. Then it is your turn.

Listen to every knock.



2 knocks

Wait until the knocking stops. Count each knock once.

Choose the matching raft.

Tap a raft

At the dock

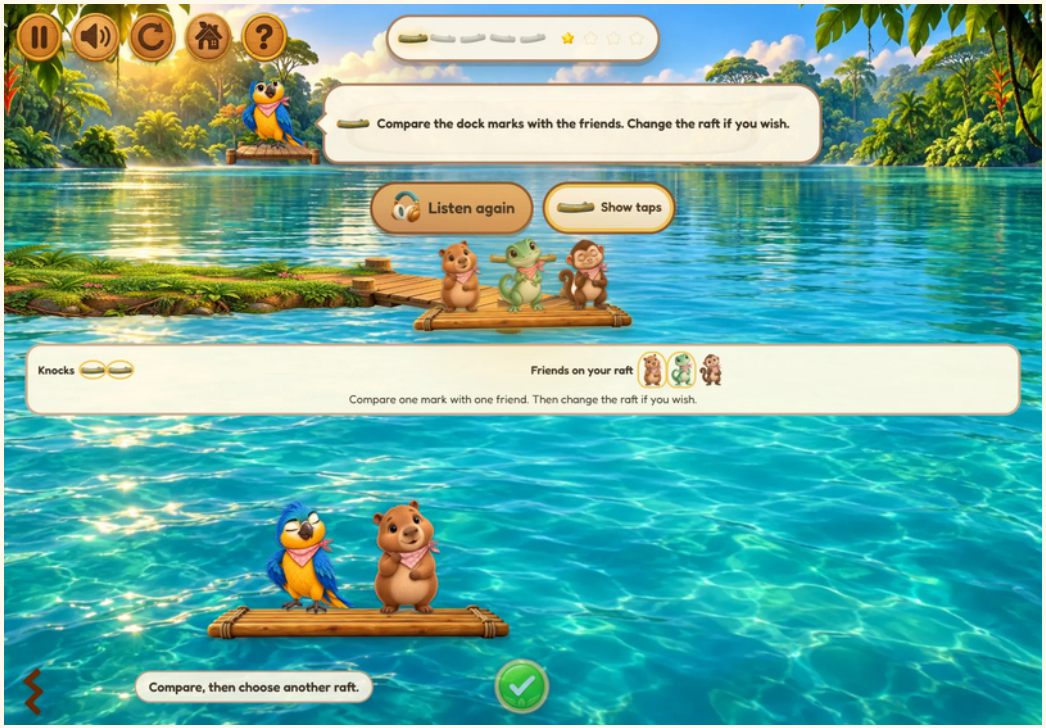
Two knocks? Choose two friends. Tap the raft. It moves to the dock. You can drag it there, too.

Tap the green check.

Tap OK

Your raft is at the dock. Tap the green check to see if it matches.

You can try again.



2 marks

3 friends

Compare the marks with the friends. Listen again, then choose another raft if you need to.

Need another listen?

Show taps

Help

Tap Listen again to replay. Show taps lets you follow one mark for each knock. Take your time.

A star for each match.

4 matches

5 levels

Four matches finish a level. Keep going through five levels. Aro and Capybara celebrate at the end, with a song.
