Capybara: A Leaf for Everyone

A picture guide

One leaf for every friend.

Watch the hand.

Aro shows you first. Then it is your turn.

Drag a leaf to a place.

Take a leaf from the basket. Drag it in front of an animal.

Or tap an animal.

One tap gives one leaf. You can use either way.

Ready? Tap OK.

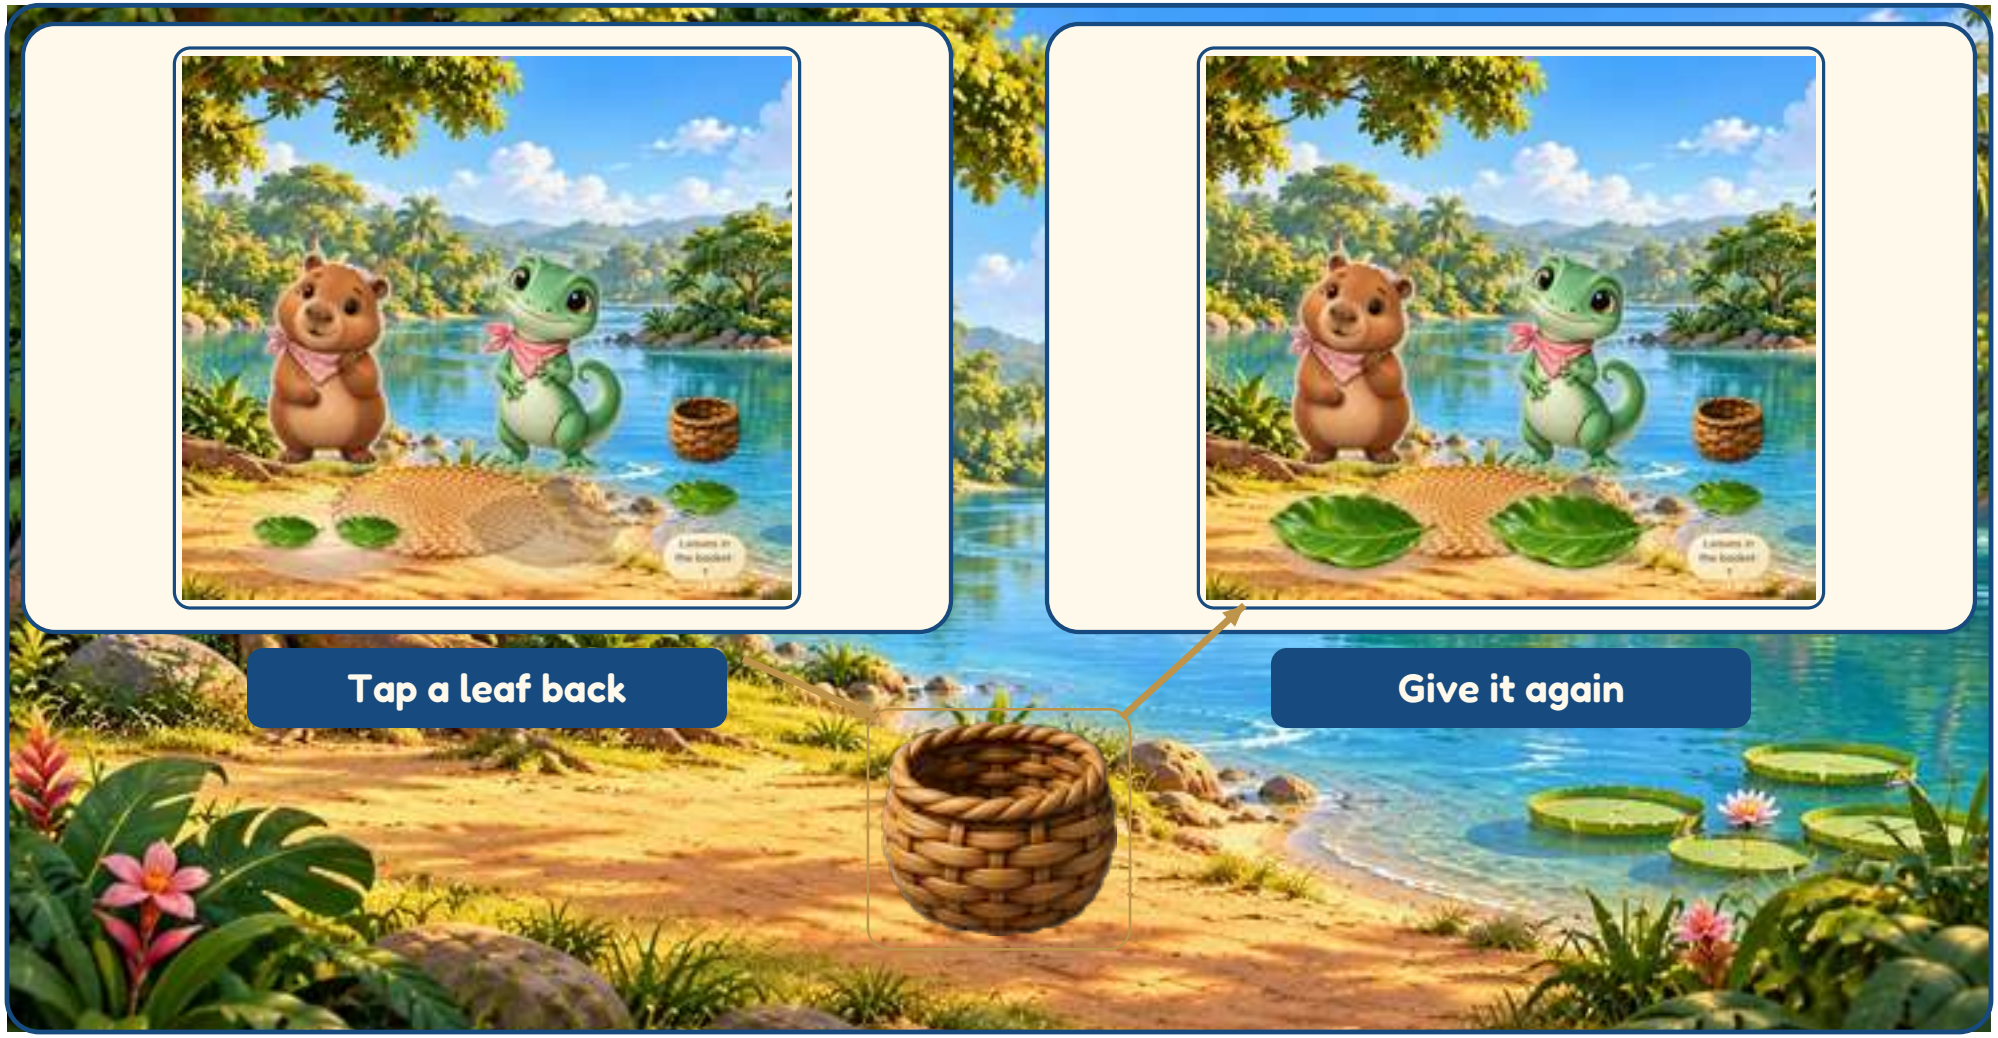

Look at every place. Each animal needs exactly one leaf. Then tap the green OK.

A spare can stay.

Everyone has one leaf. Extra leaves may stay in the basket.

You can change it.

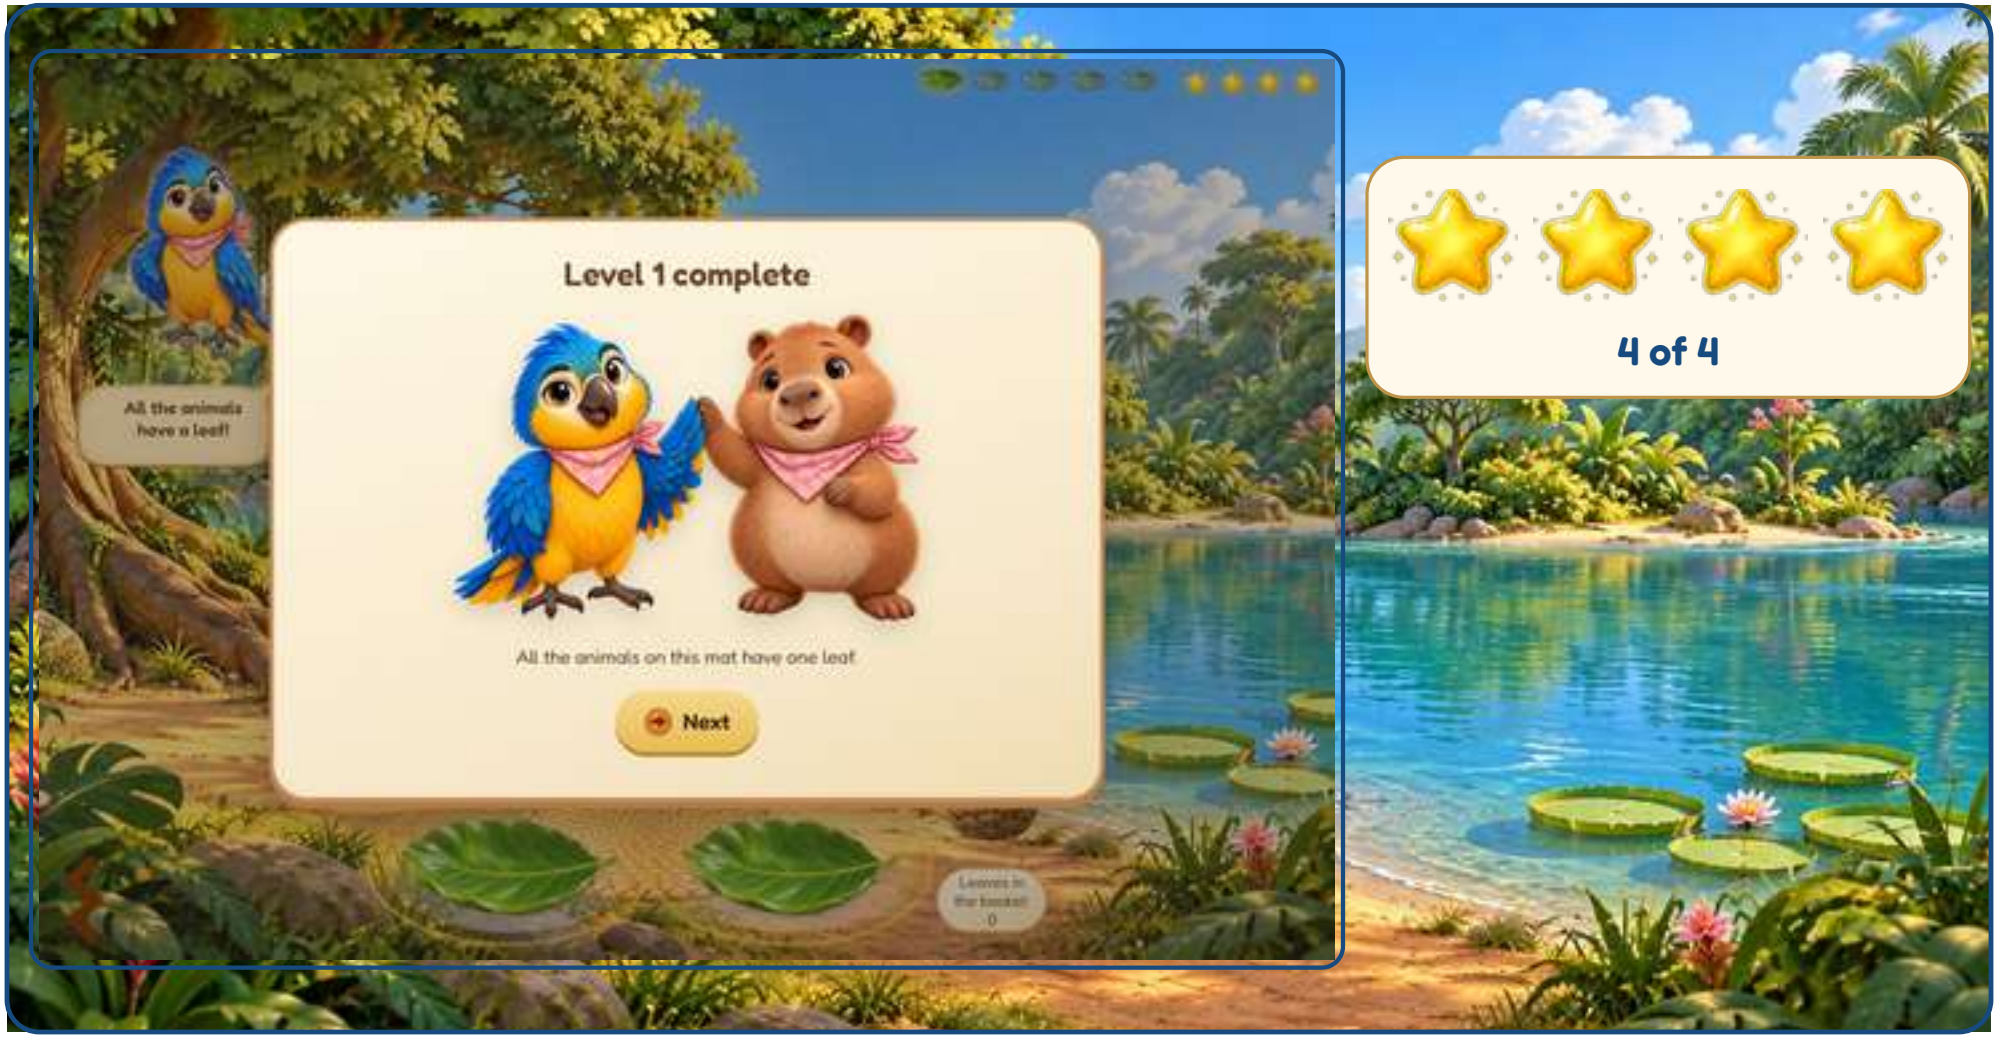

Your leaves stay after a mix-up. Tap an extra leaf to take it back. Give it again.

Need a hand?

Tap ? for help. Choose Show me again for another demonstration. Pause when you need a break.

A star for a ready picnic.

Four stars finish a level. Five levels lead to the picnic song.

Ready for our picnic?

One leaf for every friend.
