Aro: Two Rafts

A picture guide

Pair. Look. Choose. Check.

Tap Play. Watch the hand.

Game screen

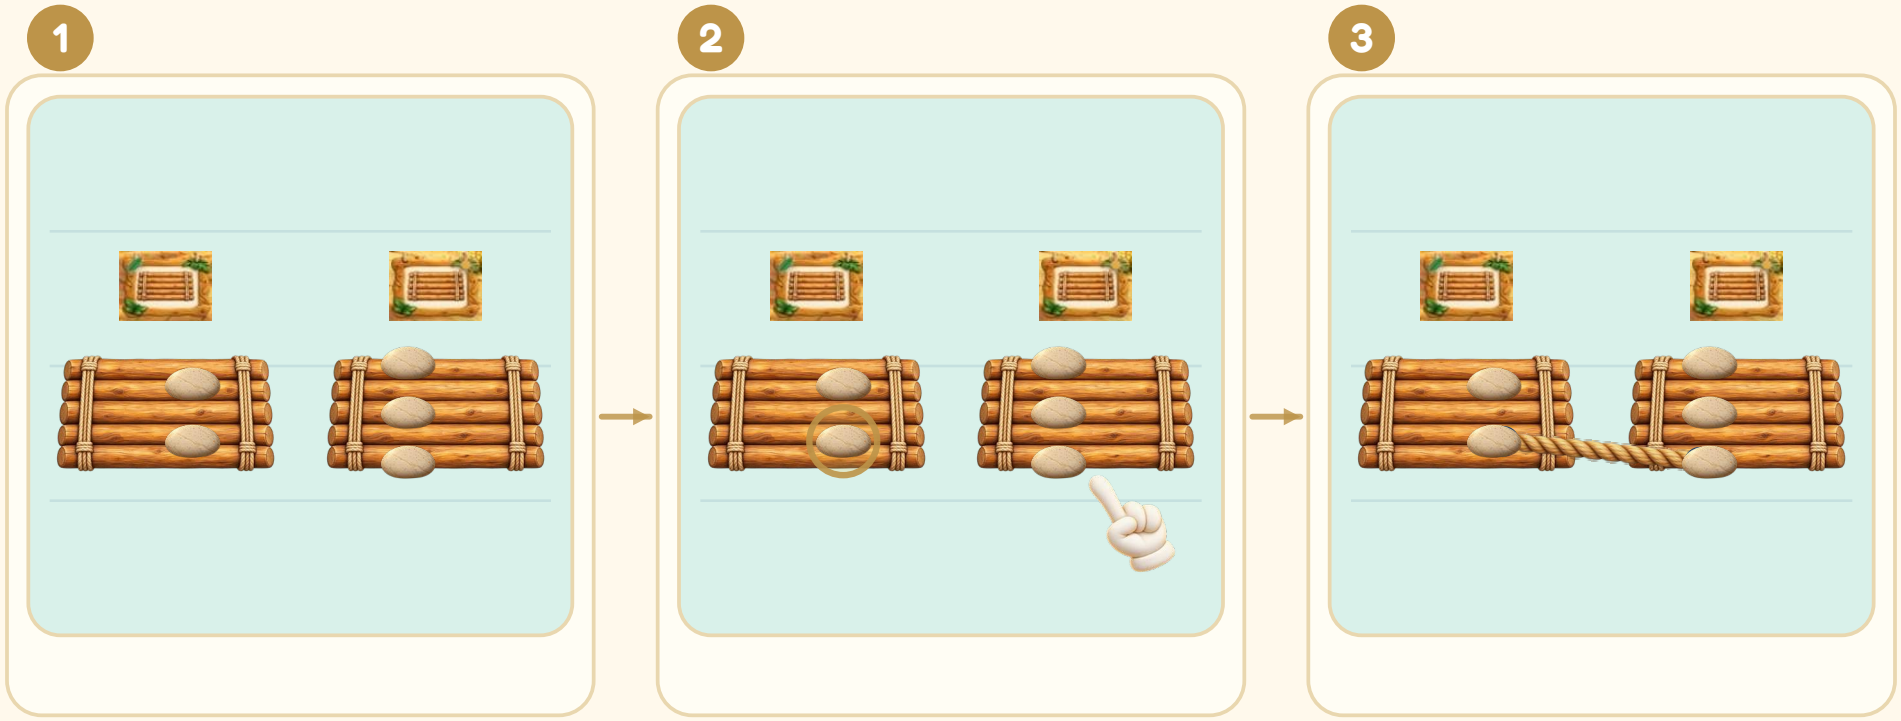

Play zoom

Watch the hand.

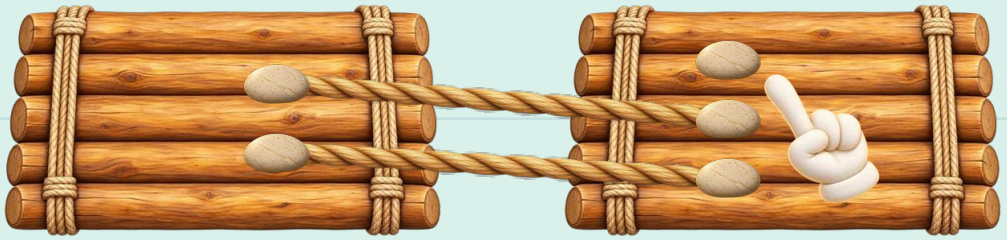

Aro shows you how to make pairs.
Then it is your turn.

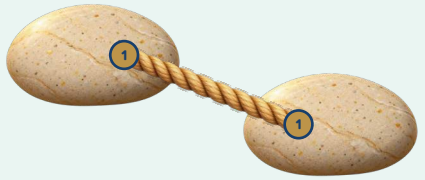

Make one pair.

Tap one pebble. Then tap a pebble on the other raft.
One rope joins the pair.

Keep making pairs.

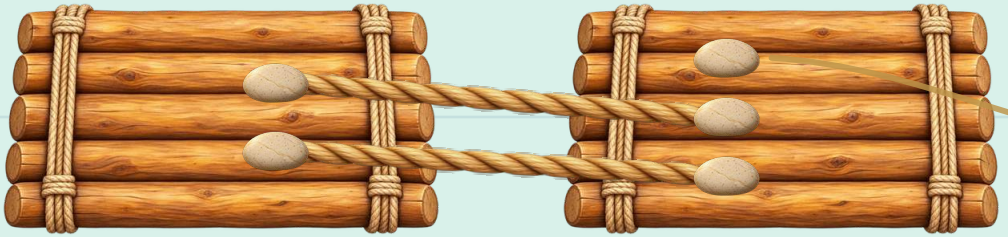

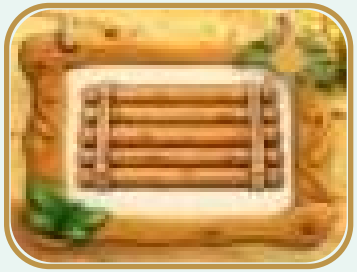

Picture guide

Give each pebble one partner.
Stop when no more pairs can be made.

Find more.

Tap this raft.

sun button

Picture guide

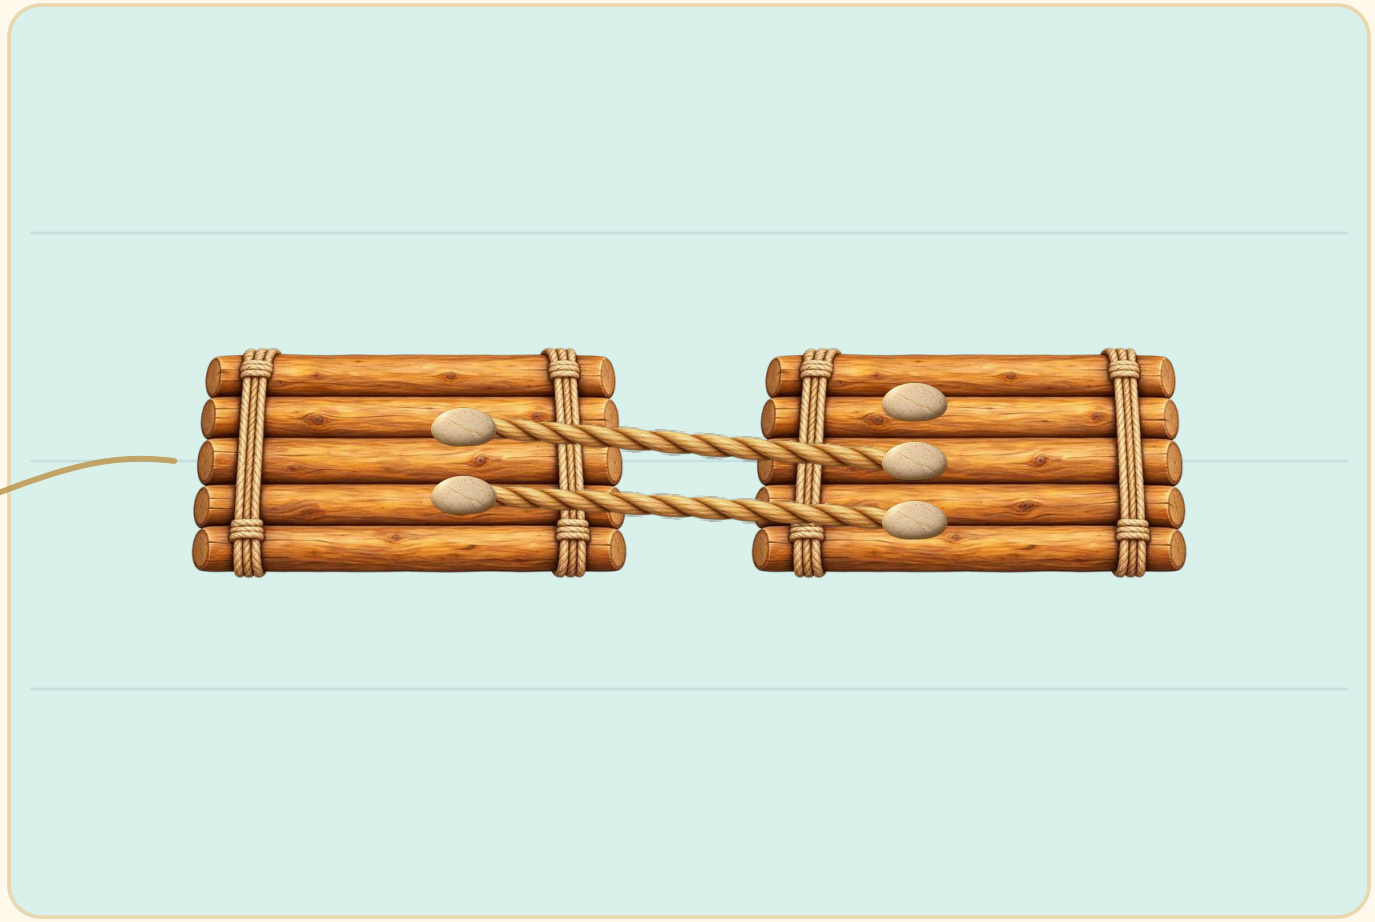

One pebble has no partner. This raft has more.
Tap its raft button.

Find fewer.

Tap this raft.

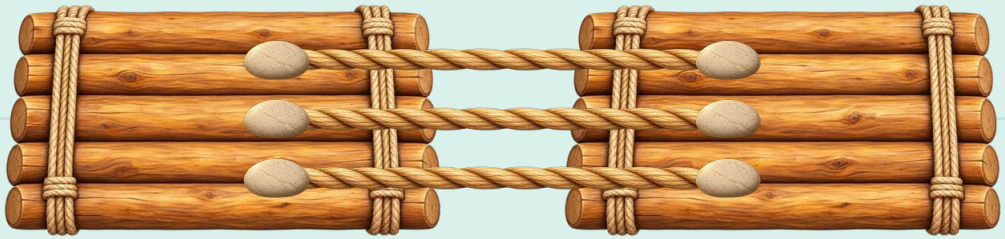

leaf button

Picture guide

This raft runs out first. It has fewer pebbles.
Tap its raft button.

The same amount.

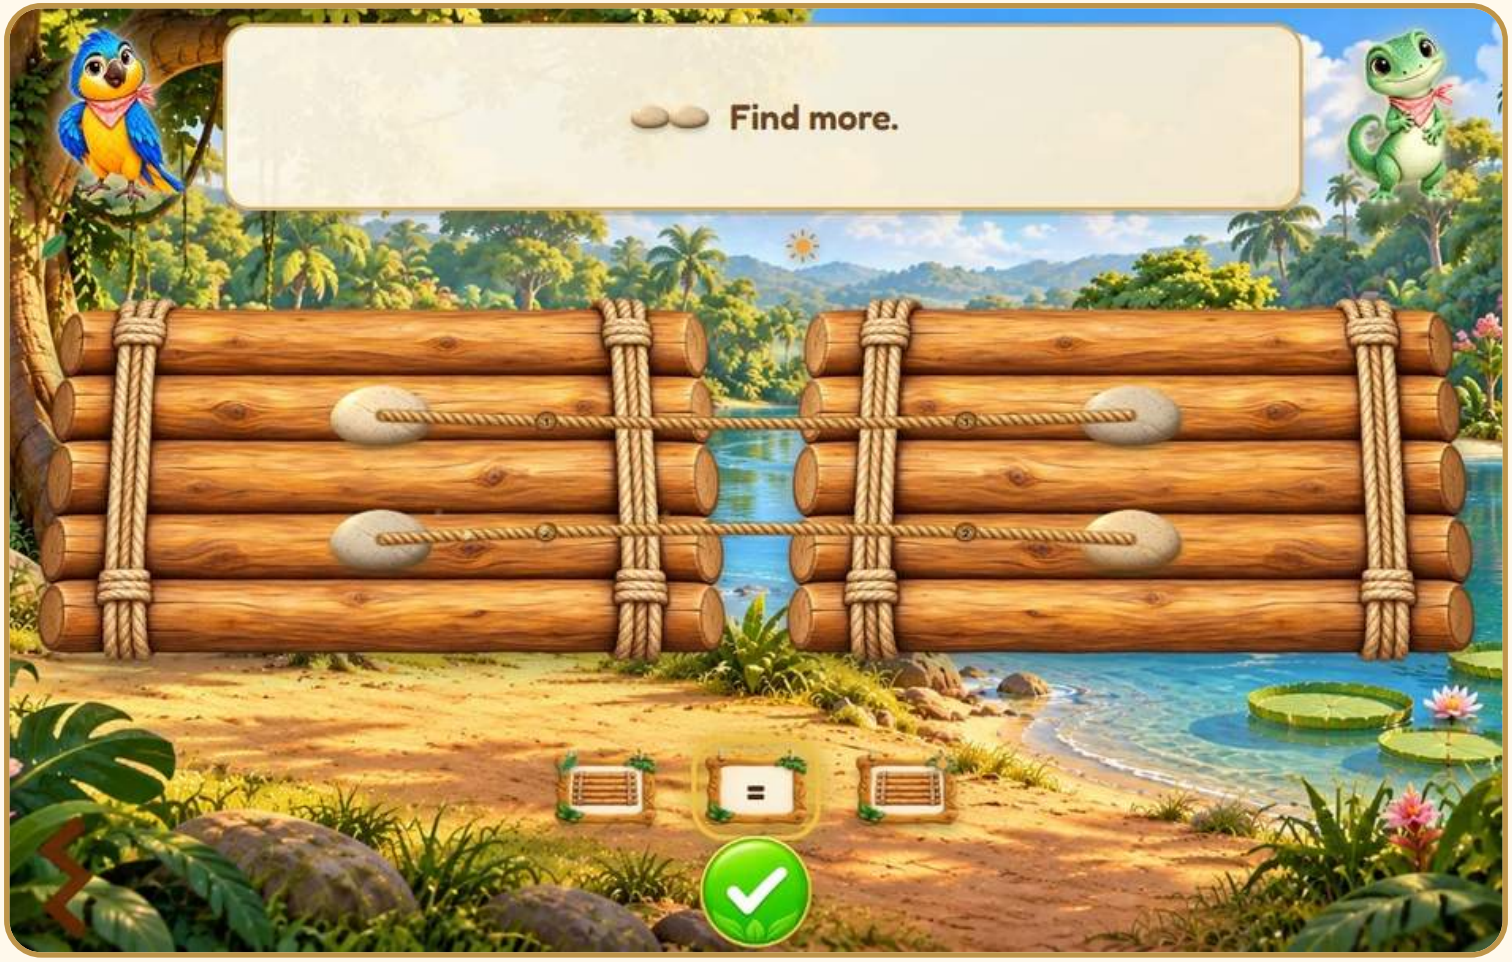

Picture guide

equals button

Every pebble has a partner.
Tap =, even when Aro asks for more or fewer.

Tap the green check.

Game screen · completed board

Check

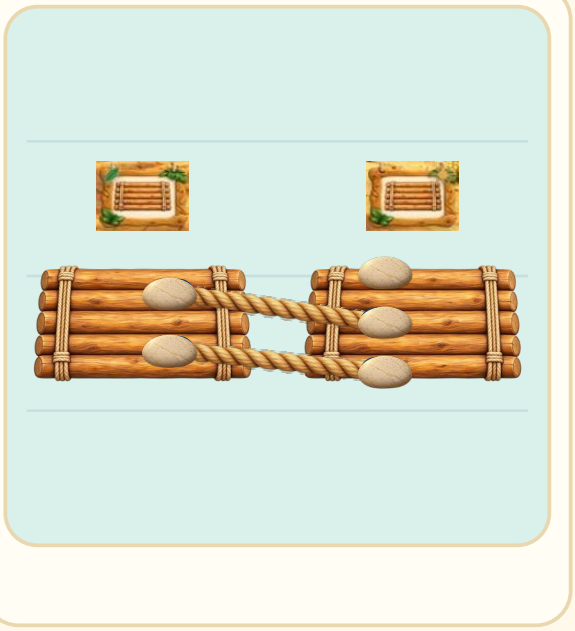

green check

Make all the pairs. Choose your answer.
Then tap the green check.

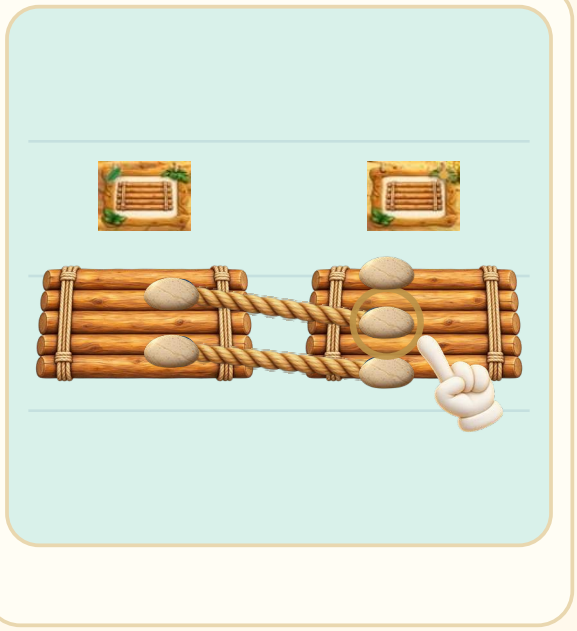

Change a rope.

1

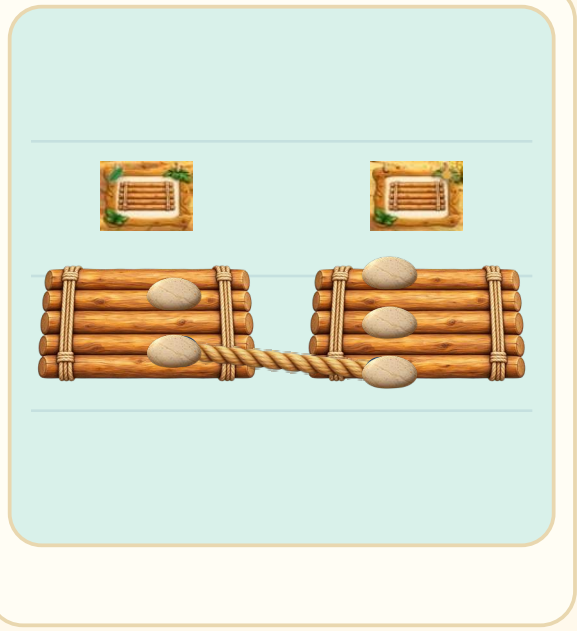

Two ropes

2

Tap a tied pebble

3

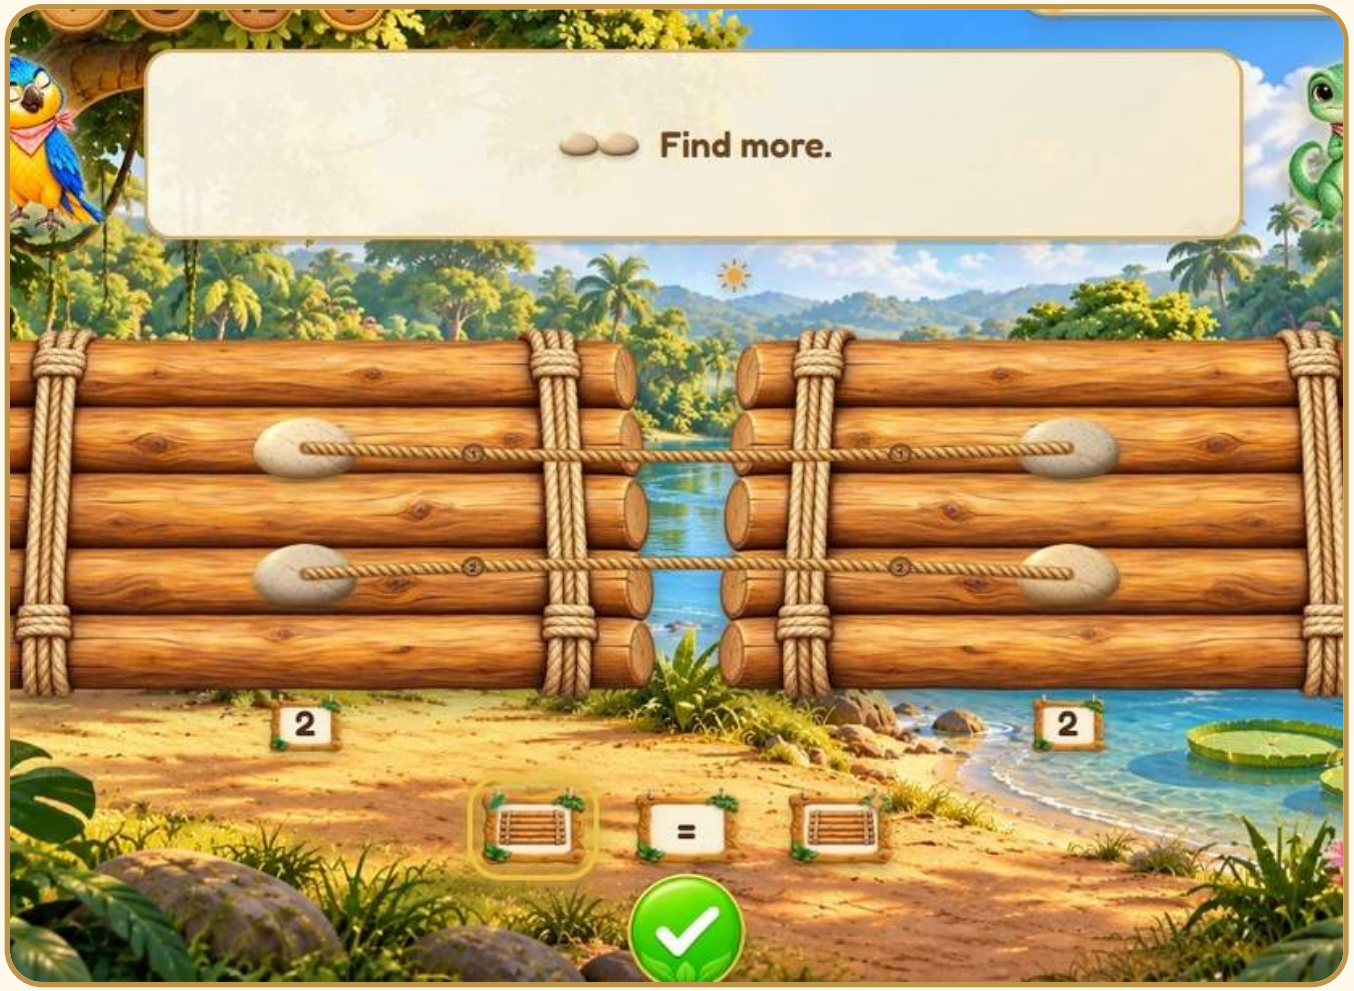

One rope left

Tap a pebble with a rope to take that rope off.
Now you can make a new pair.

Try again.

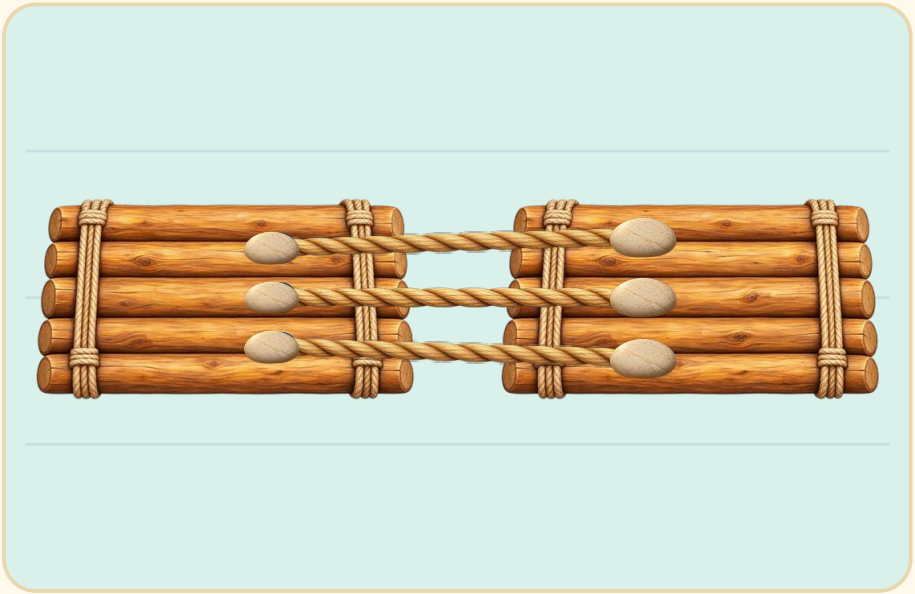

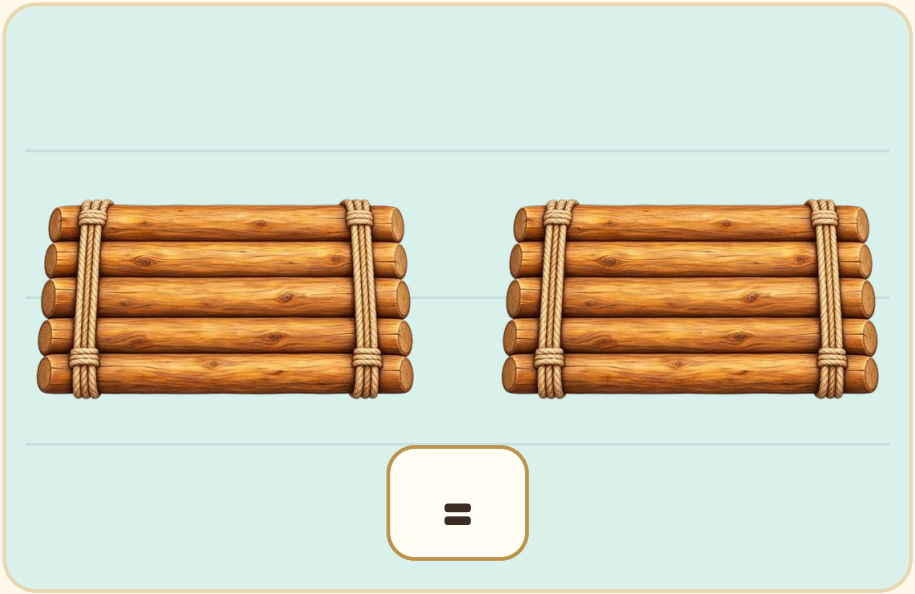

Game screen · honest count help

A wrong answer is okay. Your ropes stay.
Look again, choose, and tap the green check.

Look closely.

Picture guide · size

Picture guide · empty

Big or small, each pebble is one.
An empty raft has no pebbles. Two empty rafts have the same amount.

You can do it!

Aro and the gecko celebrate

Four stars finish a level.
Finish all five levels to hear the song.

Tap ? to watch
the hand again.
