Aro: Which Basket?

Look. Choose. Check.

Watch Aro first.

Tap Play. Watch the pointing hand.

Two practice examples show you how. They do not earn stars.

Tap Play

Watch the hand

Look and listen.

Look at Aro's basket. Listen to the request.

Tap the speaker to hear the words again.

Aro's sample

Listen again

Choose a whole basket.

Tap the basket you want.

A gold outline shows your choice. You can choose a different basket.

Gold outline

Tap the green check.

Ready? Tap the green check.

Choosing does not check the answer. You check when you are ready.

Green check

One tap

More than Aro.

Pick a basket with more fruit than Aro.

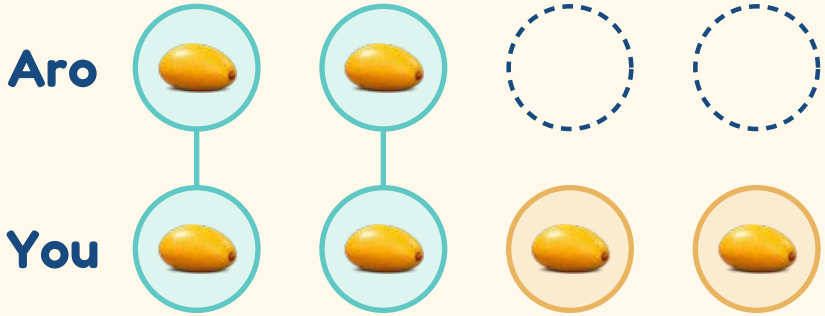

Extra fruit shows more. More than one basket can fit.

Aro 2

You 4

turquoise: paired amber: extra

Fewer than Aro.

Pick a basket with fewer fruit than Aro.

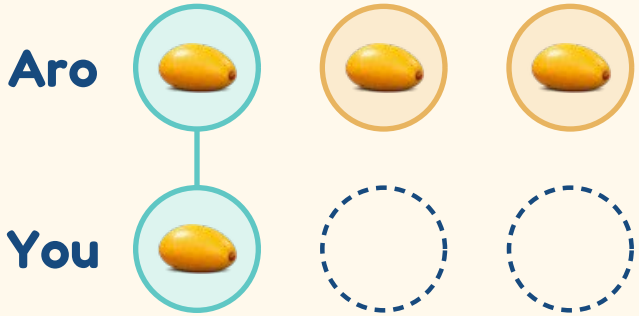

An empty basket can count too. Zero is fewer than one.

Aro 3

You 1

1 vs 0

Aro 1 **You 0**

Zero is empty.

turquoise: paired **amber: extra**

The same number.

Pick a basket with as many fruits as Aro.

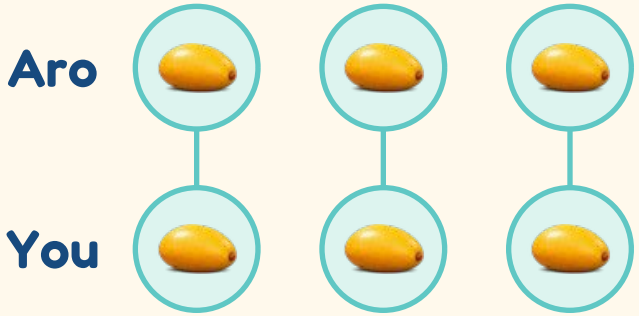

Pair every fruit. No fruit is left over. The arrangement may differ.

Aro 3

You 3

turquoise: paired amber: extra

A little oops is okay.

Choose another basket. Check again.

Look at the matched pairs and extras. There is no hurry.

Before

Another try

Little stars, step by step.

Four baskets finish a level.

There are five levels. Later, fruit kinds and spacing change. Finish all five to hear the picnic song.

Levels

1 2 3 4 5

Help is always close.

You can pause, listen, or ask for help.

Take your time. Aro and Capybara are here.
