Aro: Number Island

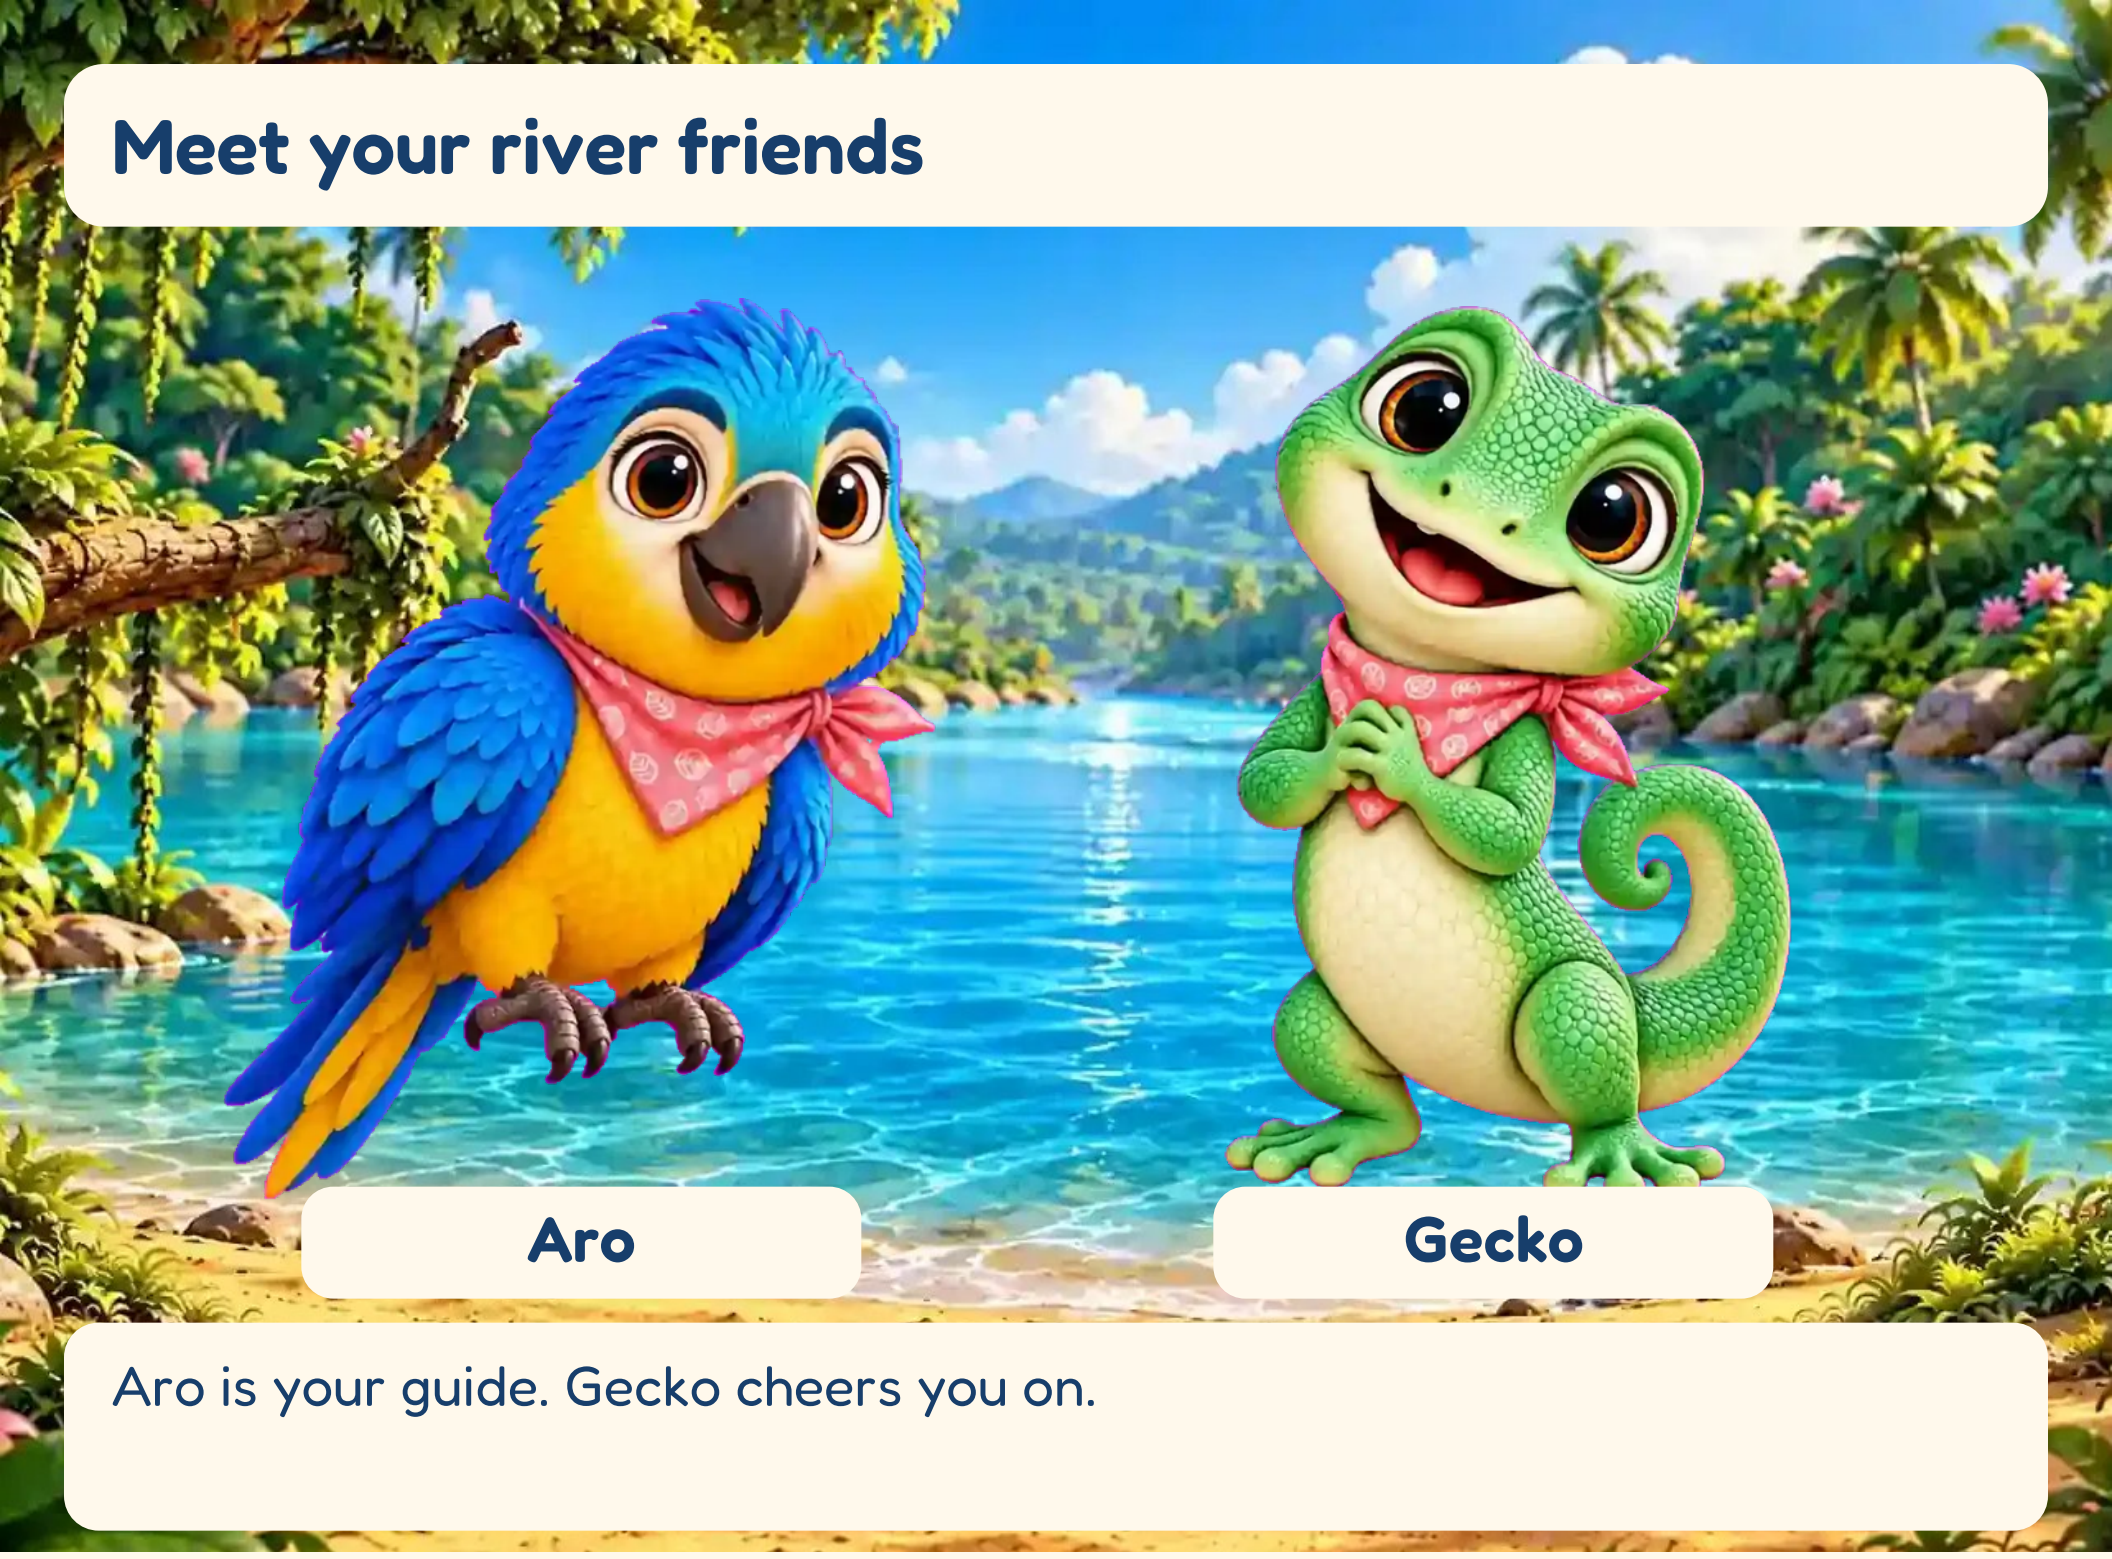

A picture guide for little explorers

Look. Choose. Move. Check.

wondermaths.app

Meet your river friends

Aro

Gecko

Aro is your guide. Gecko cheers you on.

Tap Play. Watch the hand.

Watch a picture travel to the island. Then it is your turn.

Look at the number.

Find a picture with that many things. Here, the number is one.

Move the whole picture.

Choose a picture

Bring it to the island

Tap the card, or drag it to the island. Keep the picture together.

Tap the green check.

The picture is ready. Tap the check to see if it matches.

A little oops is okay.

Count again. Choose another picture. Take your time.

Different pictures. Same amount.

3

Cacao pods

Dots

Open fingers

Three cacao pods. Three dots. Three open fingers. All show three.

Ask for a little help.

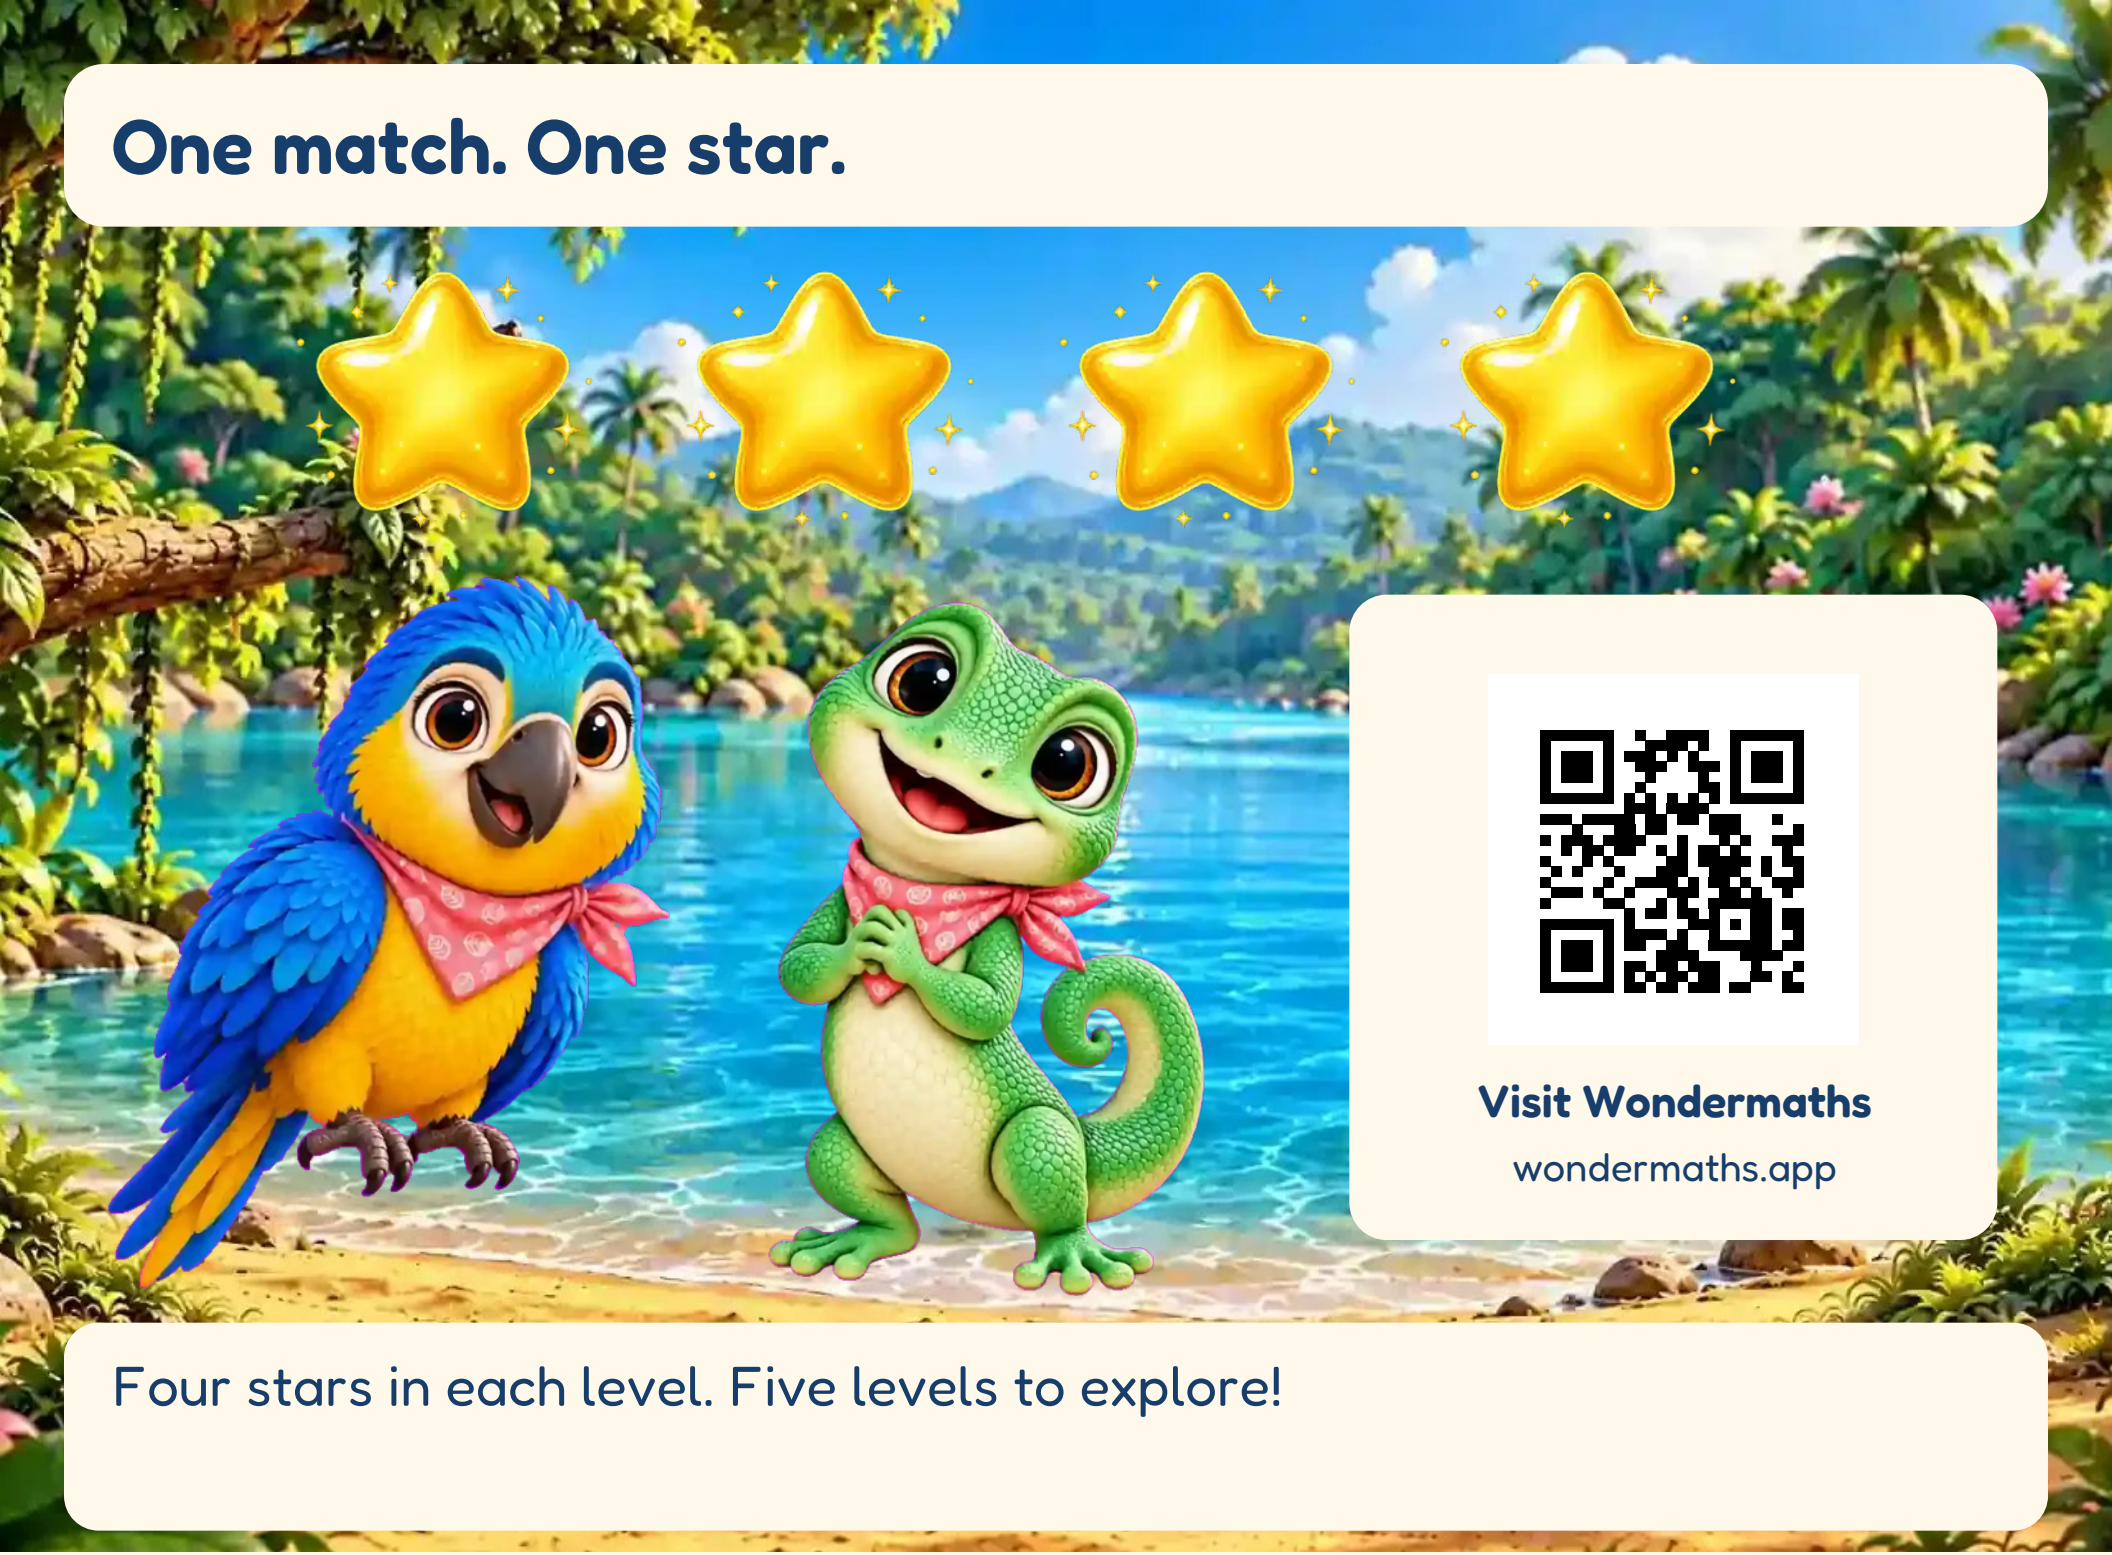

Tap ? to watch the steps again. Tap Pause for a break.

One match. One star.
