Rhino: Ten Steps Further

One step further · Ages 6–7

Predict, then build

Start at 26. Two steps forward in tens. Where will the route end? Build it to check.

For you: 26 to 36 to 46. Six ones stay.

Repair the middle

Try 31 to 41 to 61. Keep the destination. What stopping place could split the long step?

For you: Insert 51 between 41 and 61.

Change the direction

Start at 84. Build three backward steps. Which part of the delivery stays?

For you: 84 to 74 to 64 to 54. Four ones stay.
