A GUESS TO KEEP

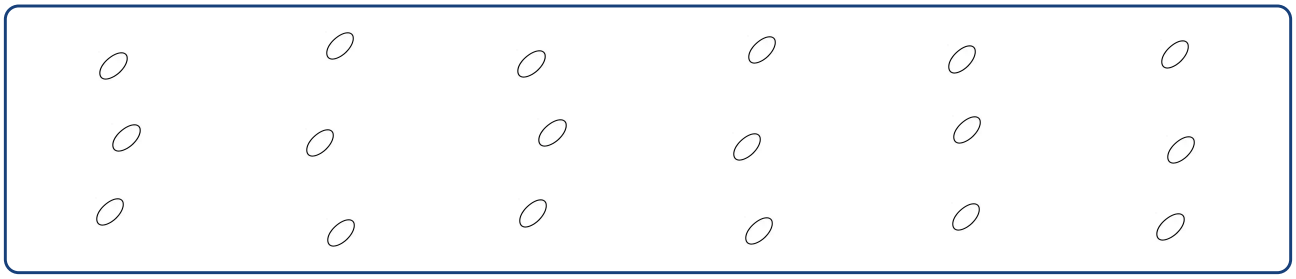

Guess, count, compare.

AGES 5-7

TASK 1 Make a guess. Keep it. Circle groups of ten and count every seed.

SEEDS TO CHECK

My guess	I counted

TASK 2 Hippo guessed 16. Elephant guessed 22. Whose guess is closer to your checked count?

HIPPO GUESSED	ELEPHANT GUESSED
16	22

Hippo: 16	Elephant: 22

SAY: What can you use to check without changing your first idea?

Practices: Estimating and comparing a prediction with a count.
